Apologies to John Exley whose name we missed when checking the envelopes before the price giving. He won the mens over 50's category with 133 points with John Schutterlin following in second (151 pts) and Roy Tredwell taking third place (155 pts).

There is another change since the results went to the press. Morgan Williams (U15 girls) was reinstated after it was decided that she went round all the markers (although she took a different line from the others), and thus did not technically shortcut. This means that Oxford City did finish a team and came second overall (138 pts) with Radley Ladies first (63 pts) and Witney third (170 pts).
